Sizing

Small-Medium, with changes for [Large-Extra Large] in brackets: 25 [29½]" by 63 [77]"diagonal measurement

Yarn and Needles

Approximately 350[500] yards of each of three different yarns in fingering to light worsted weight thickness, and in a variety of textures. For example,

- a smooth shiny yarn or ribbon (yarn A)
- a textured or fuzzy yarn (yarn B)
- a smooth matte yarn (yarn C)

Choose yarns in harmonizing colors and any combination of textures you like. Each of the three yarns will be knit for one row, then the sequence repeated, thus giving lots of color and textural interaction.

Size 8 US (5 mm) knitting needles suggested.

Gauge: 4¼ sts and 7 rows per inch over stitch pattern after washing and drying.

See the Design Notes for making your Easy Asymmetry Wrap shorter or longer, narrower or wider, and with whatever yarn you want. Remember that the amount of yarn you need will vary as you make these types of adjustments.

Skill: Easy enough for a beginner with basic knitting skills.
