

Pretty Awesome Yarn Pouch

A featured pattern in the BOBBOL 2013 Series at the KnitHeartStrings.com membership site

Pretty Awesome Yarn Pouch will give your yarn balls a pretty dress-up while protecting the yarn itself. Even your fussiest balls will love being tamed by this elegant pouch.

The drawstring loops can also be placed over your arm for on-the-go knitting.

To use, put your yarn ball/cake in the pouch so that the center-pull yarn tail comes out the top, then pull the drawstrings closed. The peek-through spiraling lace mesh is super stretchy and will accommodate amazingly large balls. As the enclosed yarn is used up, the bag collapses to help keep the ball tidy and tangle-free.
