

Shallow Sideways Tri Shawl

Jackie E-S redefines the traditional triangle shawl with a shallower profile worked side-to-side beginning with just four stitches.

The cable-ribbed lace pattern softens the edges in beautifully sculpted outlines.

A bonus is that the pattern is pleasingly reversible, giving you the freedom to wear this shawl in a multitude of ways that take advantage of the long, slender tails for tying or flipping.

Several ideas of ways to wear this garment are included.
