

Scalloped Juliet Cap

Treat yourself, or someone else you love, to a little bit of extravagance. Soft scallops frame the face in this stylish cap knitted in a modified feather and fan lace stitch. Choose a variegated yarn for zestful color interplay that is enhanced by the wavy pattern. A nice alternate is to use a solid color yarn to emphasize the lace.

Sizing

Medium adult - Finished circumference 21" to fit head approximately 22".

Adjust size or snugness of fit by adjusting gauge/needles used.

Yarn and Needles

Bulky or heavy worsted weight yarn
- 85 yards

Pictured models were knitted in

— Heritage hand-painted Cotton Chenille - color Summer Haze (variegated color hat on this page, and to left in picture on next page)

— Heirloom Easycare 12 superwash merino - color #715 (solid color hat to right in picture on next page).

Gauge: 12 stitch repeat of modified feather and fan pattern = 3½ inches

Needles: 1 - 16" circular needle and 1 - set of double pointed needles —
Size 7 US / 4.5 mm needles (suggested for Heritage Cotton Chenille), or
size 10 US / 6 mm needles (suggested for Heirloom Easycare 12), or
as needed to give gauge.

If adjusting size, modify gauge using larger or smaller needles as necessary.

Note: The Heritage Cotton Chenille is unlike chenille yarns the knitter may have experienced previously which require working very tightly to avoid unsightly looping. With Heritage, just knit with your regular tension.
