SAMPL A Fest of Twist

The design of these lace and cable-icious sandal socks was inspired by a twist on the saying "A Twist of Fate". Twisty lace columns alternate with lacy mesh enclosed in non-binding cable crossings. The result is lots of elasticity for a good fit across a range of sizes.

One sock has leftcrossing cables with right-spiraling toe; the other sock has rightcrossing cables with leftspiraling toe. Instructions are given for making the cables with or without a cable needle.

Pictured models in size adult small were knitted in Lorna's Laces Shepherd Sock yarn, color Douglas Fir
